Really made me think! • Great points were raised! Raised my consciousness of perceptions! How "others" perceive interpreters, Deaf/deaf, understanding of the interpreting process. Enlightening! • Great discussion points. These topics are worth considering and figuring out how to discuss at a variety of levels. • Very enjoyable, great engagement • This definitely gave food for thought! • The videos were fantastic. Thank you so much. Great discussion. • Great presenter - highly engaging. Enjoyed her laid-back, interactive approach. 	<p>when people up front were talking and we, in the back, couldn't hear.</p> <ul style="list-style-type: none"> • I want to keep up-to-date on my signs as an educational interpreter. I learned no signs, just group discussion about t.v. shows. 	<p>very real problems interpreters experience. However, I would have liked some suggestions on how to approach and educate the hearing community.</p>
