The Illinois Department of Juvenile Justice has two goals:

- Make Illinois communities safer for all residents.
- Foster better life outcomes for youth in the Department's custody by providing appropriate and effective rehabilitative care.

In March 2015, the Department unveiled its comprehensive strategic plan focusing on five core principles:

- Right-Size:
  - Reduce the use of secure custody for low-risk youth
- Rehabilitate:
  - Improve programs to meet the needs of high-risk youth
- Reintegrate:
  - Improve programs to ensure successful reentry
- Respect:
  - Create a safe and respectful environment for youth and staff
- Report:
  - Increase transparency and accountability

This report and others like it are a part of the Department's commitment to enhance reporting and transparency. This allows the Department to more effectively inform stakeholders and the public about operations and outcomes.

This report was prepared by Brittany Groot, Quality Assurance and Research Manager for the Department of Juvenile Justice.
