COMMITTEE MEMBERS: Harry Reed, Jerry Isikoff, Alyssa Williams Schafer, Abdi Tinwalla

MAY 17, 2011 CONFERENCE CALL ATTENDEES: Harry Reed and Jerry Isikoff

Committee members Harry Reed and Jerry Isikoff spoke by conference call on May 17, 2011 from 2:00 pm until 2:04 pm to discuss the process of obtaining a Request for Proposal (RFP) to obtain quotes to provide credentialing of applicants for the SOMB Approved Provider List.

It appears that the RFP needs to originate from an agency and not the SOMB. The process can be lengthy and needs to follow State guidelines and processes.

We plan to appeal to the agencies represented on the SOMB for any that are willing to work with us in submitting the RFP for credentialing services of approved providers..
