**EXPEDITED RENEWAL FORM FOR A RADIOACTIVE MATERIAL LICENSE
AUTHORIZING THE USE OF SEALED SOURCES IN PORTABLE DEVICES**

Complete all items for renewal of a license. Use supplementary sheets where necessary. Retain one copy and submit the original and one copy of the entire application to the Illinois Emergency Management Agency.

This State Agency is requesting disclosure of information that is necessary to accomplish the statutory purpose as outlined under 32 Ill. Adm. Code 330. Disclosure of this information is required. The Agency requests that each application for license renewal be voluntarily submitted by the licensee at least 120 days prior to the expiration date on the license to be renewed. This timeliness request is not a requirement. Please be aware, however, that Agency rules require that an application for renewal of a specific license be filed with the Agency at least 30 days prior to the expiration date. This allows for licensed activities lawfully to continue beyond the expiration date pending Agency review of the renewal application, should such review extend beyond the expiration date. Failure to provide all requested information may result in denial of your application for radioactive material license renewal.
