

INTERGOVERNMENTAL AGREEMENT
STATE OF ILLINOIS
ILLINOIS EMERGENCY MANAGEMENT AGENCY

The Illinois Emergency Management Agency (IEMA) and the Mutual Aid Box Alarm System (MABAS) Illinois enter into and execute this Intergovernmental Agreement and hereby agree as follows:

A. AUTHORITY

This Agreement is entered into pursuant to the "Intergovernmental Cooperation Act", 5 ILCS 220/1, et seq., and the "Illinois Emergency Management Agency Act", 20 ILCS 3305/1, et seq., and is subject to all applicable Illinois and Federal statutes, and related regulatory requirements. This agreement is applicable only to MABAS assets from local jurisdictions within the boundaries of the State of Illinois. All terminology in this Agreement shall be interpreted consistently with the Illinois Emergency Management Agency Act, and rules promulgated pursuant thereto.

B. PURPOSE

The purpose of this Agreement is to provide disaster response assistance to units of local government during declared disasters when local and regional resources are insufficient to meet the disaster response needs of the requesting unit of local government, and to provide for disaster training exercises to maximize the effectiveness of responses to disaster related requests for assistance. Emergency Management Agency Compact (EMAC) requests as approved by IEMA are included as part of this agreements purpose.

C. PERFORMANCE PERIOD

This Agreement shall remain in effect unless terminated pursuant to Section I of this Agreement.

D. PROCEDURE FOR REQUESTING OR PROVIDING ASSISTANCE DURING A DECLARED DISASTER

When a disaster is declared to have occurred within the jurisdiction of a local governmental unit by the Governor of the State of Illinois, and the resources available through local or regional units are insufficient to adequately respond to the disaster such that the local resources are being utilized to the fullest possible extent, the affected local governmental unit may request assistance from IEMA by contacting the State Emergency Operations Center (SEOC). All IEMA approved requests for assistance to or from the fire service shall be coordinated within the SEOC through the Office of the State Fire Marshal (OSFM) liaison, with the exception of licensed emergency medical transport units under the jurisdiction of the Illinois Department of Public Health (IDPH). The SEOC may request assistance from MABAS as the

exclusive coordinator of Fire, EMS, Haz-Mat, Technical Rescue, Water Rescue/Recovery, USAR, and other associated related resources in Illinois. Upon receipt of a request for assistance from the SEOC, MABAS shall dispatch to the affected area any and all personnel and equipment which are available from the MABAS membership. Personnel and equipment so dispatched shall report to the State Incident Commander at the State Forward Command Post (SFCP), who shall then assign the personnel and equipment to the Local Incident Commander in support of local operations. Upon completion of the disaster response operation, the dispatched personnel and equipment shall be subject to further re-assignment in support of the operation at the discretion of the State Incident Commander. The State Incident Commander may either re-assign the personnel and equipment for additional missions, or provide for the timely release of the personnel and equipment to the sending local governmental units.

E. PROCEDURE FOR DISASTER TRAINING EXERCISES

During any training exercises, the procedure set forth in paragraph D, above, shall be followed by the training participants, as required to achieve the objectives of the training exercise. All training exercises will be subject to the mutual agreement and availability of units to participate.

F. LIABILITY AND RISK OF LOSS FOR DAMAGE TO EQUIPMENT AND INJURIES TO PERSONNEL

Equipment dispatched pursuant to this Agreement shall become property of the State of Illinois while it is being used pursuant to this Agreement. Personnel dispatched pursuant to this agreement shall be members of Mobile Support Teams, as provided in Section 8 of the "Illinois Emergency Management Agency Act" (20 ILCS 3305/8) during their service pursuant to this Agreement. Liability for damages to equipment and/or injuries to personnel shall be determined pursuant to relevant provisions of the "Illinois Emergency Management Agency Act" (20 ILCS 3305/1, et seq.) and all other applicable statutes.

G. REIMBURSEMENT FOR THE COST OF RESPONSE

Responding agencies acting pursuant to this Agreement shall be reimbursed for all eligible costs incurred for responses approved by IEMA pursuant to this Agreement and in accordance with the "Illinois Emergency Management Agency Act" (20 ILCS 3305/1, et seq.) and other applicable statutes. Eligible costs are those incurred on or after the date of a disaster event that is the subject of a State disaster declaration. Except for costs covered under Section F of this Agreement, responding agencies may be reimbursed, in whole or in part, for those costs incurred prior to receiving IEMA's approval. Such determination shall be at the sole discretion of IEMA in accordance with statutory authority.

H. ADVISORY COMMITTEE

The Director of IEMA may, at his or her discretion, appoint an Advisory Committee to assist in the implementation and refinement of this Agreement. The membership of such

committee shall include a minimum of one (1) MABAS representative.
