Liquor Control Commission AUGUST 2013 Underage Compliance Report

CHICAGO – In **August** the Illinois Liquor Control Commission (ILCC) conducted compliance checks in the following area:

Stephenson County – On August 6, 2013, the ILCC and the Stephenson County Sheriff's Office conducted underage alcohol checks in the Stephenson County area. None of the 12 licensees checked sold alcohol to ILCC underage participants.

This report is a result of ongoing undercover and cooperative law enforcement operations conducted by Illinois Liquor Control Commission (ILCC) agents and local law enforcement officials and volunteers from high schools and colleges. The teams randomly visit liquor stores, restaurants and bars in communities around the state to check for ongoing compliance with state laws mandating that no liquor is sold to minors under the age of 21. ILCC agents also work with local and state law enforcement agents to focus on communities with a high incidence of underage liquor sales.
