Single Prime Delivery Method
Quarterly Report to the Procurement Policy Board

October 1, 2015

Will Blount
Executive Director
Procurement Policy Board
222 South College Street, Suite 231
Springfield IL 62704

Dear Executive Director Blount:

As required by Section 30-30 of the Illinois Procurement Code (30 ILCS 500), the Capital Development Board is providing the October 2015 Quarterly Report to the Procurement Policy Board. Currently, there are no single prime projects to report for this quarter; therefore we are not attaching a separate report.

For the next quarter, the report will include information on the general scope, project budget, and established Business Enterprise Program goals for any single prime procurement bid by Capital Development Board since the law was enacted on August 4, 2015 (future reports will state: in the previous 3 months) that has a total construction cost valued at $10,000,000 or less.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Jodi Golden
Executive Director
Capital Development Board
