### Communication Details:

Provide a detailed summary of the points made by each person involved in the communication:

Mr. Barnett performed introductions and explained the premise of the meeting as related to the proposed CPS Magnet School Lasalle II Renewable Energy Pilot Project as proposed by Boost Your Eco LLC. Mr. Barnett further explained summarily the various municipal offices that have been

communicated with regarding the development of the proposed CPS LaSalle II Magnet School Renewable Energy and Sustainability Pilot Project. Then, Mr. Gilchrist introduced his organization (UGE) and expressed their intentions and capacity as "Developer" to execute the financial instruments relative to the project as well as describing the depth of the (UGE) projects portfolio and their commitment to working with BYE to make this worthy project happen. Mr. Luedecke Then weighed in regarding the social responsibility and encouragement aspects that such a project would yield to the citizens and students within the City of Chicago and more specifically those citizens active within or associated with the Chicago Public Schools System. Mr. Star then explained the regulations as guidelines relative to the project with emphasis on the processes surrounding the SREC program and the guidelines surrounding the upcoming events. Mr. Star was clear to point out the high degree of transparency and observance of fair and ethical practices as he explained the details of the SREC program. With that, the meeting was adjourned.

Was a response made? If so, complete the following for each person making the response (attach an additional sheet that lists the other respondents' names, job titles, which entity they represent, email address and/or telephone number, if applicable):
