Dear State and University Employees:

I am pleased and deeply honored to be the Honorary Chair of the 2013 State and University Employees Combined Appeal (SECA) campaign that runs September 6 – November 1.

State employees have always been extremely generous in giving to hundreds of non-profit organizations through SECA. You can choose to contribute to a charity whose cause is meaningful to you whether it is helping people in need, preventing child abuse, finding cures for diseases, or helping to preserve our natural resources and wildlife. Most importantly, every donated dollar goes directly to benefit the organization(s) of your choice.

The needs of non-profit organizations are greater than ever, and for many, resources are limited. Please consider giving to the charity of your choice – whether it's through a one-time gift or scheduled multiple gifts through payroll deduction.

Thanks to you, your generosity demonstrates that when we work together we create healthy, safe and strong communities and best of all, we help to create a solution for a better tomorrow.

On behalf of SECA and more than 1,960 participating SECA charities, thank you for your support and contributions.

Sincerely,
