Combined Appeal

The State and University Employees Advisory Board (SECA) is proud to announce the 2013 Annual campaign. Since 1983, SECA has generated funds to help those in need in our communities, nation and around the world. Please join us this year in supporting your annual campaign.

MISSION

We present opportunities for those involved in state service to contribute their financial support, time, talents, and knowledge to the community at large.

We endeavor to enhance the quality of life as we invest in service communities.

We provide a singular, ethical and secure manner in which individuals can donate to the charitable causes of their choice.

Benefits of Payroll Deduction

- Makes a meaningful gift over time through small contributions each pay period.
- Creates great employee morale and goodwill within the workplace through organized giving.
- Manage your own philanthropy — you know when deductions start and that they can be stopped at any time.
- Minimizes costs and maximizes the contribution.
- Easier method of giving rather than a larger one-time gift.
- Saves time and takes little effort.
- Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.

EarthShare Illinois — Code 909-0000

Administrative and fund-raising costs for 2012 were 3.7%. Supports Illinois environment and conservation organizations which protect our air, water, land wildlife, and public health. One environment, one simple way to care for it. (312) 795-3740; www.earthshare-illinois.org

EarthShare Illinois is an alliance of America's leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment.

The environment is our drinking water, our neighborhood parks, our children's schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you.

Through the generosity of individuals at the workplace, EarthShare Illinois members are helping locally, nationally, and globally every day to:

- Offset the harmful effects of global warming;
- Reduce the number of asthma attacks children experience due to poor air quality;
- Eliminate industry-caused mercury in our waterways and fish that can cause health problems;
- Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife;
- Save endangered species, like the California condor and giant panda, and their habitats;
- Conserve and restore Illinois prairies and their native species; and
- Preserve open space and parks for our recreation, exercise, and wildlife.

We make it easy for you to make a difference. You can give to EarthShare Illinois or choose your favorite organization(s).

AMERICAN CANCER SOCIETY

YOU ARE HOPE for those with cancer in Illinois

THANK YOU for supporting the American Cancer Society! Your gift funds lifesaving research, education and hands-on support for everyone fighting cancer in our state. **TAKE A LOOK** at what your dollars can do right now:

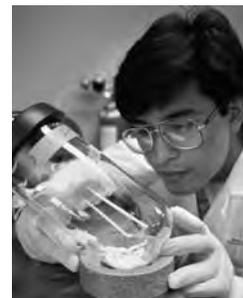

- \$15** pays for a cancer information kit to help a patient organize medical, prescription and financial records
- \$40** provides transportation for a patient in need.
- \$50** covers pain and nausea medication for someone who otherwise would go without.
- \$100** helps a disadvantaged patient find quality care through private counseling and case management services offered by a Society social worker.

When you support the American Cancer Society, you are joining a worldwide movement to help people stay well, help people get well, find cures, and fight back against cancer. Celebrating our 100th birthday this year, the American Cancer Society is a global grassroots force with more than 130,000 volunteers in Illinois and millions elsewhere. We fight for every birthday threatened by every cancer in every community. Revenue raised in Illinois comes back to Illinois to help fund research, cancer prevention programs, and patient services in Illinois. Your support can help us make this cancer’s last century.

Thanks to donors like you, the American Cancer Society has achieved some terrific milestones in Illinois and across the country, including:

- We have helped save more than 13 million lives which would have been lost to cancer without our ground breaking research, education, and supportive services.
- In just ten years, the Society’s Illinois Division has created a statewide support network serving over 33,000 newly diagnosed cancer patients and families yearly, all provided free of charge. We now serve over half of all Illinois residents diagnosed annually with cancer.
- The Society is the largest private funder of cancer research, and 46 of our previously-funded researchers have gone on to earn Nobel Prizes- a number unmatched by any other organization.

The Illinois Division has graduated 238 students from our Summer High School Research Program. This unique program helps fill the pipeline of cancer researchers by matching science-minded high school students with mentors who are successful, leading investigators.

THE OFFICIAL SPONSOR OF BIRTHDAYS.™

About UNCF

Since 1944, UNCF (United Negro College Fund) has helped minority students live the American dream by helping more than 400,000 young men and women graduate from our colleges across the country. Today, UNCF supports approximately 60,000 students who attend more than 900 schools nationwide, including 38 UNCF-member institutions.

How does UNCF raise funds?

Every year, UNCF receives generous support from dedicated corporations, foundations and organizations. UNCF also raises funds from thousands of individuals who make small donations to help talented, economically disadvantaged young men and women stay in school.

I can only give a small amount. Will it really make a difference?

Yes, it will! Whether you give a little or give a lot, your gift is a lifeline to a talented student. Here's how:

\$3 a week helps pay fees for one student for one semester.

\$15 a week helps pay fees for one student for one year.

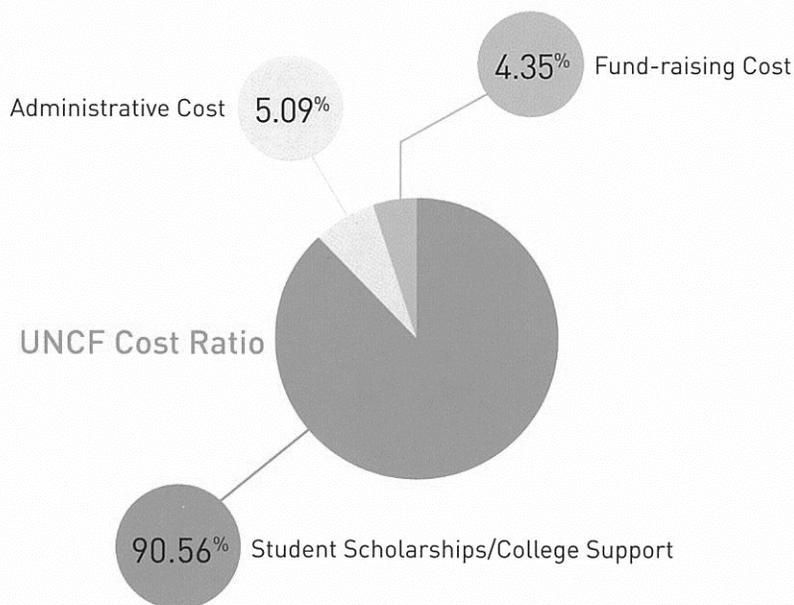

\$18 a week helps pay for textbooks for one year.

\$52 a week helps pay for room and board for one student for one year.

\$187 a week helps pay the cost of tuition for one student for one year.

How much of my dollar goes to the students?

UNCF maintains a low cost ratio of 9.44 percent of total revenues. That means that approximately nine cents of your dollar is spent on administrative and fund-raising costs. So approximately 91 cents of your dollar is invested in student and college support.

UNITED NEGRO COLLEGE FUND — Code 900-0000

Total administrative and fund-raising costs for 2012 were 10 percent - 5 percent administrative and 5 percent fund-raising.
 For more information, call (312) 845-2200 or go to www.UNCF.org.

America needs more college graduates. President Barack Obama has committed the country to regaining world leadership in the percentage of people with a college education.

Because America needs the teachers, scientists, public servants and citizens they will become, we need to make sure that African Americans and other minorities — who will be a majority of the population by 2050—get the help they need to attend college and graduate.

Furthermore, we need to ensure that our students get the education they need before college to prepare them for success in college

That means America needs UNCF.

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We have been doing it for 69 years. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 38 historically black colleges and universities that are members of UNCF and their 55,000 students.

That record is why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it's the right thing to do. And because, "A mind is a terrible thing to waste. ®"

For more information, call: (800) 394-0562; www.soill.org.

Part of an international program, Special Olympics Illinois provides year-round sports training, competition and a variety of skill-building opportunities for children and adults with intellectual disabilities. Athletes from every part of the state train for 8 weeks or more in 19 Olympic-type sports: alpine skiing, aquatics, athletics (track & field), basketball, bocce, bowling, cross-country skiing, equestrian, figure skating, floor hockey, golf, gymnastics, powerlifting, snowshoeing, soccer, softball, speed skating, tennis and volleyball. They are then eligible to participate at one or more of the 175 separate competitions held each year at the local, district, regional and state levels, with athletes competing in divisions based on age, gender and ability level.

The benefits of Special Olympics Illinois extend beyond the field of competition. Through Special Olympics, athletes develop a sense of pride and hope. They enjoy greater confidence and self-esteem. And their participation increases society's overall awareness of what these courageous athletes can achieve when given the opportunity.

Special Olympics Illinois relies solely on the contributions of corporations, individuals and civic organizations to make all of this possible. The organization is not funded by the Kennedy Foundation and is not a United Way agency. Nor does Special Olympics Illinois charge athletes or families to participate in the program. Your contributions support the nearly 22,000 Special Olympics athletes, and additional 13,000+ Young Athletes (between 2 and 7), who benefit from this truly unique programming and train and compete in the state of Illinois

LIVE UNITED™

In communities across America and here in Illinois, local United Ways are improving lives by mobilizing the caring power of their communities. Each United Way is a partner in change, delivering measurable results by working with a broad range of people and organizations to identify and resolve pressing community issues.

What differentiates United Way from other charities is its volunteer review process of programs and initiatives seeking funding. Each United Way chooses its funding criteria and priorities to fit their local community.

It doesn't matter how many programs or initiatives United Way supports. It's about United Way's work advancing the common good in communities across the country focusing on building blocks for a good life.

Join your friends and neighbors and **LIVE UNITED** by supporting your local community.

Local United Ways are independent, 501(c) 3, not-for-profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions. It is the intent of the SECA Advisory Board Ways and their member agencies according to how they handle these designations.

Where local United Ways list member agencies with a 7 digit SECA code the donor's directed contribution is automatically sent to the selected agency. Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way's volunteer review process.

Each local United Way determined how they would be listed in the SECA booklet and any questions should be directed to the specific local United Way.

To find out more about your local United Way, log on to United Way Worldwide's website at www.liveunited.org.

Benefits of Payroll Deduction

- Makes a meaningful gift over time through small contributions each pay period.
- Creates great employee morale and goodwill within the workplace through organized giving.
- Manage your own philanthropy — you know when deductions start and that they can be stopped at any time.
- Minimizes costs and maximizes the contribution.
- Easier method of giving rather than a larger one-time gift.
- Saves time and takes little effort.
- Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.

STATE EMPLOYEES — PARTNERS IN GIVING

Participation in the State and University Employees Combined Appeal is important. Any gift is greatly appreciated and helps make a difference. Support of the SECA campaign demonstrates a willingness to help a single need or many needs within the community. Thank you for your gift and understanding the impact and significance of a personal commitment through SECA.

**A LETTER FROM THE SECA ADVISORY BOARD
AND CHARITY REPRESENTATIVES**

Dear Prospective Donor:

Thank you for considering SECA. Perhaps you have participated in the past, or perhaps you are newly familiar with the program. SECA allows you to give to charity over time either through annual payroll deduction or by writing a one-time check. You simply fill out a form indicating the amount you want to give, and turn it into your SECA ambassador. It's rather effortless, but very meaningful.

The 2013 SECA campaign is celebrating the 30th anniversary and this year's theme is State Employees Care A lot. State and university employees and retirees have raised millions to help projects in their own backyards and beyond. In truth, the only hard part in giving may be narrowing your choice of charities from among all the qualified contenders listed in this booklet.

As you all know, it is increasingly hard to give. Your dollars are in constant demand. If your first instinct is not to give, I would ask you to think about the converse the reasons to give. Not only will you feel pride, but you'll be making a difference in the lives of people in need, the environment or animals. All the forms that come in from state and university in all different amounts, truly add up to making a huge impact on society.

Many people can't imagine life without the generous spirit and support of state and university employees like you.

Sincerely,

Advisory Board
and Member Charities
