

Every day across the nation AmeriCorps members are making a powerful impact on the most critical issues facing our nation. AmeriCorps provides opportunities for more than **2,600 Illinois residents** to give back in an intensive way to their communities and country each year. Since 1994, Illinois AmeriCorps members have provided more than **30 million hours** to communities across the state. AmeriCorps Week is an opportunity for AmeriCorps members, alums, grantees, program partners and friends to demonstrate AmeriCorps' impact on critical issues, bring more Americans into service, and thank the community partners who make AmeriCorps possible.
