

EVENT OVERVIEW: Join Olympians, Paralympians, and your favorite Chicago professional sports teams at the Family Sports Festival hosted by World Sport Chicago! The Family Sports Festival provides a free day of fun and fitness for Chicago children and adults alike - creating not only lasting memories but providing the knowledge, resources and inspiration needed to build healthy lifestyles and ongoing sports involvement. Through this event people will have an opportunity to try different sports and physical activities, see what they enjoy and get information about the programs and places around Chicago where they can get active. There will also be an area focused on healthy eating where people can enjoy nutritional snacks and beverages while learning easy ways to eat better in their daily lives. With entertainment, music, and more the Family Sports Festival is a celebration of sports and health.

ROLE AND RESPONSIBILITIES: Various volunteer roles are available and are as follows:

- As a **Sports Activity Volunteer** you will be assisting with the more than 20 different interactive sports demonstrations and clinics. You will be assigned to a specific sport area and work closely with the activities in that area. Your involvement may include: helping direct the flow of people through the stations or activities, assisting with the demonstrations, helping people with the sports equipment, welcoming people to the different sports areas and punching their punch card to show they participated, assisting with athletes, showing people how to do the activities, etc.
- As a volunteer **Greeter and Wayfinder** you will be handing out event information and maps, helping direct people around the event, welcoming people to the different sports areas and punching their punch card to show they participated, assisting with the arrival and departure of the bus loads of people, helping direct the flow of people around the activities, etc.

DATE: September 17th
