BRUCE RAUNER
GOVERNOR

Greetings!

As Governor of this great state, I welcome you to the 2016 Illinois State Fair! Over the next 10 days we will celebrate the very best our state has to offer.

I want to take a moment to thank you for your involvement in Illinois agriculture. Agriculture is the backbone of our state's economy and a staple of our community life. It is a billion-dollar industry in Illinois, and a proud tradition that the young men and women competing here today will inherit. The experience and knowledge you gain from raising champion livestock here at the Illinois State Fair will help shape your future, and in turn, our state's future.

I first learned the value and lessons of agriculture from my grandfather, who raised dairy cattle. At a young age he taught me how to milk a cow, ride a horse and shoot a rifle. Even more importantly, he taught me that through hard work and dedication you can accomplish anything you set out to do.

During your time here at the Illinois State Fair, while I'm sure you will make plenty of life-long memories, I hope you will also take a moment to learn something new about agriculture. Learn something new every day so you can help us educate the public about the importance of our state's number one industry. And have fun.

Best of luck to one and all at this year's Illinois State Fair.

Dear Exhibitor:

Welcome to the 2016 Illinois State Fair.

The fairgrounds are a second home to me, and so I am pleased to welcome you to the fairgrounds in Springfield. I like to tell people I've probably had every job on the fairgrounds. From scooping manure to selling burgers, I have been a part of every Illinois State Fair since 1956. I have fond memories of my experiences at the Illinois State Fair, and now as the head of the Illinois Department of Agriculture, I look forward to helping you create memories of your own.

This year we made great strides in continuing our quest to renew the fair's emphasis on agriculture. Shortly after the 2015 fair, we introduced new junior livestock age requirements that will allow more of Illinois' youth to participate in the competitive events here at the fair. With an active 4-H membership, exhibitors as young as 8 may participate in livestock competitions this year. On the other end, young adults can participate in the junior livestock program until the age of 21 with an active Collegiate FFA or FFA Alumni membership.

I want to thank our partners at FFA, University of Illinois Extension, and the State Fair Advisory Board for their commitment to Illinois agriculture.

Speaking of a commitment to Illinois agriculture, this year's theme is "Producing Our Future."

The next generation of Illinois agriculture is on display here at the Illinois State Fair. These young men and women are our future farmers, ranchers, producers; our next agri-business CEOs; and our next small business owners. I urge all of you to take this opportunity, this agricultural showcase, to share your knowledge about Illinois agriculture. Tell our fairgoers what it takes to raise blue ribbon livestock. Explain to fairgoers what you raise on your farm and how that product gets to the grocery store. Tell everyone you can why Illinois agriculture is important to you, and how this experience is shaping your future.

Thank you for all that you do to make Illinois agriculture what it is today! Together we will continue to forge an industry that our state can be proud of for generations to come.

Sincerely,

A handwritten signature in black ink that reads "Raymond Poe". The signature is written in a cursive style with a large, stylized "R" and "P".

Land of Lincoln Purebred Livestock Breeder's Award

Donald L. Zehr

Graymont, IL

The 2016 Land of Lincoln Purebred Livestock Breeder's Association "Hall of Fame" recipient is Donald L. Zehr of Graymont, Illinois. Don is recognized for this outstanding accomplishments in the purebred Holstein dairy cattle industry. The farm, Zehrview Holsteins, has been associated with high quality purebred dairy cattle for nearly 60 years. Don, along with his family, has been very successful in breeding, developing and exhibiting numerous champions and class winners at local county fairs, Illinois State Fair, World Dairy Expo and the North American International Livestock Exposition.

One of the great cows in the Holstein breed, Zehrview Arlinda Polly, was bred and developed by Don Zehr. Polly was classified "Excellent" 96 points and was the Illinois State Fair Supreme Champion Land of Lincoln in 1972 and 1973. Furthermore, Zehrview Arlinda Polly is one of the very few Illinois bred and owned elite cows to have ever been scored "96" points. In addition to registered Holsteins, Don has also been involved with breeding purebred Hampshire hogs and registered Belgian horses.

Don and his wife, Shirley, were married in 1950 and began farming on the family farm near Graymont, Illinois. The Zehrview farm and Holstein herd is currently owned and managed by their two sons and consists of 750 acres and over 200 head of registered Holstein dairy cattle. In addition to their sons, Lynn and Gary, Don and Shirley have three daughters, Carol, Lori and Jan.

Don has served in various leadership roles throughout his career. He is active in the Illinois Holstein Association and was past board member and chairman of several committees. He also served on the state board of directors of the Illinois Dairy Herd Improvement Association. In addition, he is a past 15 year 4-H leader, school board member and other community involvement.

SPECIAL NOTICE REGARDING EQUINE ENTERING THE ILLINOIS STATE FAIR

EFFECTIVE JAN. 1, 1995: ALL ILLINOIS EQUINE (horses, ponies, mules, etc.) 12 MONTHS AND OLDER participating in an advertised equine event ("Advertised equine event" means a show, rodeo, exhibition, trail ride or horse fair, excluding sales or auctions, that is posted or media promoted) shall be accompanied by **NEGATIVE TEST FOR EQUINE INFECTIOUS ANEMIA/E.I.A. (Coggins/ELISA) conducted WITHIN ONE (1) YEAR.** A Health Certificate (Certificate of Veterinary Inspection) **is not required for Illinois Equine.** **ALL OUT OF STATE EQUINE (horses, ponies, mules, etc.)** entering Illinois will be required to be accompanied by a **HEALTH CERTIFICATE (Certificate of Veterinary Inspection) ISSUED WITHIN 30 DAYS OF ENTRY AND EQUINE 12 MONTHS AND OLDER MUST HAVE A NEGATIVE TEST FOR EQUINE INFECTIOUS ANEMIA/E.I.A. (Coggins/ELISA) WITHIN THE LAST 12 MONTHS.**

The Illinois Equine Infectious Anemia Control Act has been established to protect the equine population in Illinois by controlling the spread of EIA through the movement of infected animals. Violators of this Act are guilty of a Class C misdemeanor. This Act and its subsequent provisions are regulated by the Illinois Department of Agriculture's Bureau of Animal Health.

DRUG TESTING REQUIREMENTS

Illinois Department of Agriculture personnel are authorized to collect blood, urine, milk, tissue or other samples from any animal being exhibited to test for the presence of any substances, practices or other adulterants which may give the animal a competitive advantage. As a condition of entry, all exhibitors shall sign a statement of ethical conduct.

Upon entry to the Illinois State Fairgrounds, no person shall administer internally or externally

any medication, including prescription and non-prescription, unless prior written authorization is received from the State Veterinarian's Office. Any medication or drug administered without authorization or in an unauthorized dosage constitutes a violation of this requirement.

Notwithstanding the above, as a condition of entry in an Illinois State Fair event, all exhibitors agree to cooperate fully with testing protocols including ultrasound. Department personnel may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced in any event at the Illinois State Fair at any time, including at the time of slaughter, to test for the presence of any substances, practices or other adulterants. It is a violation of this requirement if the test results indicate 1) the presence of a substance, practice or other adulterant that could give an animal a competitive advantage, and/or 2) the presence of a substance, practice or other adulterant that does not meet allowable slaughter residue levels for market animals as determined by the Department.

Non-market animals are deemed not to have violated this Requirement concerning competitive advantage if the drug was given under a current veterinarian's prescription for the animal and was prescribed for a therapeutic reason. Notwithstanding the previous sentence, animals must still comply with breed specific requirements regarding drug usage. A copy of such prescription must be shown to Department personnel at the time of collection. If not shown at time of collection, such drug use will be deemed a violation of this requirement and proof of a prescription at a later time will not be a defense.

Market animals are deemed to violate allowable slaughter residue levels if the test "positive" (not a quantitative test) for any drug that has not been approved by the Federal Food and Drug Administration for such type of animal. The fact that a drug exceeded its estimated withdrawal time or was prescribed will not be a defense to a violation of this Requirement concerning slaughter eligibility.

Any animal drug tested at the Illinois State Fair is subject to be detained at the expense of the Exhibitor by Fair Officials until the Fair Officials receive final test results. After any preliminary positive test results are confirmed by a gas chromatograph/mass spectrometer tests, the results may be made public. If a dispute regarding the test results occurs, a portion of the referee sample, upon written request to the Department, may be sent in a manner mutually agreed to by the parties for laboratory testing and analysis at a facility mutually agreed to by the exhibitor and the Department. The referee sample will be split in the presence of the parties or their representative. The test results must be sent to both the exhibitor and the Department by the laboratory. All fees associated with the referee sample are the responsibility of the exhibitor.

If an animal is determined to be in violation of this requirement, then the exhibitor agrees to forfeit all awards, prizes, money, honors and rights to any benefits received at the Illinois State Fair concerning such animal.

If an exhibitor disputes a disqualification of an animal by fair officials, the exhibitor may

request a hearing before an administrative law judge of the Illinois Department of Agriculture, pursuant to the administrative law rule. However, any request to have the referee sample tested must be made, the test must be performed and the test results determined all prior to the hearing.

The owner, exhibitor, fitter, trainer and participant bear absolute responsibility for an animal's condition, whether or not he or she was actually instrumental in or had actual knowledge of the administration of drugs or medication or treatment of the animal in contravention of these requirements.

Proper testing may require animals to be detained temporarily and may delay awarding of premium checks.

PREMISE REGISTRATION NUMBER VOLUNTARY

Premises Registration is voluntary to exhibit livestock (beef, dairy, horses, swine, sheep, goats, poultry and rabbits) at the Illinois State Fair.

Choosing to register your premises puts you on the frontline of controlling and preventing the spread of animal disease. A disease outbreak can't be predicted but it can impact every segment of animal agriculture. Participation ensures that you have the information you need, when you need it most, to protect your animals and your investment. Registering a premises involves obtaining a seven-character alpha-numeric "identifier" for the farm, ranch, veterinary clinic or other site where livestock or fowl are handled, managed or processed.

If an exhibitor wants to register their animals an application form can be found on-line at www.agr.state.il.us/premiseid. Exhibitors who register on-line will receive a premises registration number immediately. An application can also be obtained by calling 866/299-9256. If completing application and returning by mail, it may take up to 4 weeks to receive the number.

LAND OF LINCOLN

LAND OF LINCOLN BREEDERS AWARDS FOR PUREBRED OR REGISTERED LIVESTOCK, ILLINOIS BRED, BORN, OWNED, EXHIBITED AND MAINTAINED WITHIN THE STATE BY RESIDENT OF THE STATE OF ILLINOIS

LAND OF LINCOLN CLASSES WILL BE CONDUCTED AND JUDGED BY THE SAME RULES AS RESPECTIVE OPEN CLASSES. ANIMALS NOT ELIGIBLE FOR THE OPEN DIVISION ARE NOT ELIGIBLE FOR LAND OF LINCOLN CLASSES. ANIMALS REGISTERED AS BREEDING STOCK ARE ELIGIBLE FOR LAND OF LINCOLN CLASSES.

1. Horses or ponies must be owned and shown by an Illinois resident.

2. The breeder must be an Illinois resident, meaning the dam of the animal being shown was owned by an Illinois resident at the time of service. The sire can be either Illinois or out of state owned.
3. Proof of eligibility must be available to the Superintendent of the department in which the animals are to be shown.
4. All horses and ponies must be registered in their respective Stud Books to be eligible to participate in Land of Lincoln Breeders Awards.
5. An exhibitor will be limited to two (2) premiums in each individual class.
6. All horses or ponies must be maintained in the State of Illinois ninety days prior to opening date of the Fair and the exhibitor (individual who rides, drives or leads the animal in the ring) must be an Illinois resident.
7. Horses or ponies that are double registered will be allowed to compete in one breed event only.
8. For the purposes of this Section, "Illinois resident" means: (A) An individual who is physically present in the State of Illinois with the intention to remain. (B) A partnership, joint venture, limited partnership or other syndicate or association shall qualify as an Illinois resident provided all of the individual members and/or beneficiaries qualify individually as residents of the State of Illinois. The Articles of Agreement of any one of these types of entities must contain a restriction that provides that the ownership or transfer of interests by any one of the persons a party to the agreement can only be made to a person who qualifies as an Illinois resident. (C) A corporation shall be considered an Illinois resident if (1) it is incorporated in Illinois and (2) all stockholders, directors and officers are residents of the State of Illinois.
