Mike,

We have recently noticed something we wish to bring to your attention in connection with the State Agency Report for Pleasant View Luther Home project in Ottawa (Project No. 08-081).

The facility profile attached to the State Agency Report was for a facility with a similar name, Pleasant View, but located in Morrison Illinois. We thought you may want to be aware of the situation so that it could be corrected prior to the Planning Board meeting.

As always, thanks for your assistance.
