Re: Licensed Bed Upgrade

Dear Administrator:

This letter superseded and replaces the letter dated March 2, 2009. The facility requested an upgrade of all 47 intermediate care beds to skilled care. Physical plant approval was given per Linda Mueller's letter dated December 17, 2008. This office then referred the project to the regional office for their recommendation. Regional office staff performed an on-site survey and recommended occupancy. This letter shall serve as confirmation of the approval for the use of this area effective December 18, 2008. A revised license for 95 skilled and 4 sheltered care beds will be issued as soon as possible.

This approval is for the licensing of these beds only and is not an approval for the certification of beds. If you have any questions, please contact Sandra Justice of this office at 217/782-9314 or at the Department's TTY number, 800/547-0467, for hearing impaired use only.

Sincerely,
