Dear Mike:

At the September 1 Board meeting, it was suggested that the applicant consider a co-operative venture with a hospital.

Enclosed are copies of letters sent to Saints Mary & Elizabeth Medical Center and Mercy Hospital & Medical Center inviting the medical centers to participate in the project as a co-operative venture. In addition, Dr. Chua met with the CEO of Saints Mary & Elizabeth Medical Center, which is considering the proposal.

No response has been receive from Mercy Hospital.

Very truly yours,
