**RE: EXTENSION OF OBLIGATION**  
Project #08-013 Carle Foundation Hospital  
Permit Holder: Carle Foundation and Carle Foundation Hospital

Dear Ms. Beever:

On January 12, 2010 the Illinois Health Facilities and Services Review Board approved an "Extension of the Obligation Period" for the above-captioned project. The approval was for a 12-month extension from February 12, 2010 to February 12, 2011. Therefore, this project must be obligated in accordance with the State Board Rule at 77 IAC 1130.720, no later than February 12, 2011. **The permit holders are also required as a condition of this extension of obligation to submit to the Illinois Department of Public Health final working drawings no later than October 31, 2010.**

PLEASE NOTE THAT 77 IAC 1130.730 ALLOWS ONLY ONE TWELVE-MONTH EXTENSION OF THE OBLIGATION PERIOD FOR EACH PROJECT. THEREFORE, THIS IS THE ONLY EXTENSION ALLOWABLE FOR THIS PROJECT.

Failure to meet the requirements for permit obligation will result in the permit being considered expired and the project abandoned.

The permit holder is also reminded of other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions, please contact our office at (217) 782-3516.

Sincerely,

Courtney R. Avery  
Acting Chairman Illinois Health Facilities and  
Services Review Board
