Re: Alterations to Permit #08-081

Dear Mr. Holbrook:

This letter is to acknowledge receipt of your request for an alteration for Project #08-081 - Pleasant View. Your letter describes changes which you considered necessary to report to the Illinois Health Facilities and Service Review Board ("State Board") within 30 days after the alteration but which do not require the approval of State Board prior to implementation.

Based on the information you provided, the reduction in the cost of the project from \$22,168,058 to \$18,190,803 or \$3,977,255 has been appropriately reported to the State Board and do not require State Board approval. This determination is made in accordance with Section 1130.750 c) and d) of the State Board rules.

Your letter and this response will be added to the project file. The rules referenced above are available at the State Board website, www.hfsrb.illinois.gov

If you have questions regarding the contents of this letter, please contact Mike Constantino of my staff for assistance.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
