RE: Permit Renewal
PROJECT NUMBER: #08-043
PERMIT HOLDER: Mercy Hospital and Medical Center

Dear Mr. Cerceo:

On October 30, 2012 the Illinois Health Facilities and Services Review Board ("State Board") approved a permit renewal for the above-captioned project. Therefore, the permit number 08-043 has been renewed until January 31, 2014.

Please be advised that should the permit holder determine that it will be unable to complete this project by the January 31, 2014 completion date, the permit holder may request another renewal. 77 IAC 1130.740 provides that the State Agency must be in receipt of a permit renewal request AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE REQUIRED COMPLETION PERIOD.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact the State Board office at (217) 782-3516 and ask to speak to a staff person regarding post permit requirements.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Illinois Health Facilities and Services Review Board
