Ms. Julie Long,

I have sent multiple e-mails regarding the G702 forms for project #08-050, #08-051 and 08-070 for Good Samaritan. I e-mailed you last year on June 7, 2012 regarding your 2012 Annual Progress Reports, and I e-mailed you this year regarding the 2013 Annual Progress Report for project #08-051 (included below for your reference). I am now also e-mailing you regarding the 2013 Annual Progress Reports for project #08-050 and #08-070. Please provide these G702 forms for the 2013 Annual Progress Reports within 10 days of receipt of this e-mail to avoid any potential fines or sanctions under the Health Facilities Planning Act.

Please let me know if you have any questions. The e-mail address I have for Mr. Michael Warren did not work. Please let me know if there is a better e-mail address for contacting Mr. Warren. Thanks.

Mr. Michael Warren,

Thank you for submitting the Annual Progress Report for project #08-051- Good Samaritan Regional Health Center. The report was timely submitted and provided a great deal of detail on the history of the project. However, the report was missing the most recent G702 form as required under our rules in Section 1130.760(a)(4). Please submit the G702 form as soon as possible so your Annual Progress Report may be in compliance with our rules.

Please let me know if you have any questions. Thanks for your time.
