RE: Permit Alteration: Project #08-075 Palos Community Hospital, Palos Heights;
Permit Holder: Palos Community Hospital

Dear Ms. Zeglen:

On August 25, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Continue inpatient AMI on the 2nd floor with modernization. Modernize M/S Units in their current 3rd and 4th floor locations. Reduce the altered project costs from \$415,765,983 to \$409,635,229.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".

Illinois Health Facilities and Services Review Board
