RE: Obligation Extension
Health Facilities Planning Act
PROJECT: 09-068 Pinckneyville Community Hospital
APPLICANT(S): Pinckneyville Community Hospital
Pinckneyville Community Hospital District

Dear Mr. Hudgins:

On April 4, 2011 the Chairman of the Illinois Health Facilities and Services Review Board approved an obligation extension for the above-captioned project. Therefore, the permit holders **must obligate this project no later than October 20, 2012.**

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact our office at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Illinois Health Facilities and Services Review Board
