RE: Alteration of Project
Health Facilities Planning Act
PROJECT: #09-076 – Sarah Bush Lincoln Health Center

Dear Mr. Pluard:

In reviewing our files it has come to our attention that we did not respond to your alteration request dated June 14, 2011. That was in error. The alteration request did not require State Board approval because the total approved permit amount was not changing. The alteration request will be maintained in the project file and no further action is required on your part.

Should you have any questions, please contact Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Courtney R. Avery, Administrator
