Re: Permit Alteration Request (Proj. No.: 09-030)

Dear Mike:

In accordance with 77 Ill. Admin. Code § 1130.750(d)(1)(A), I am writing on behalf of Addison Rehabilitation and Living Center, LLC (the "Center") to request alteration of the Certificate of Need permit issued to the Center on March 2, 2010 by the Illinois Health Facilities and Services Review Board (the "Board"). For your convenience, a copy of the Certificate of Need permit is enclosed as **Attachment – 1**.

After completing the plan and working out the space requirements with the landlord, the Center has determined that the facility will only consist of 52,090 gross square feet as opposed to 61,196 gross square feet, as set forth in the Certification of Need permit application.

The Board's rules allows for certain alterations to a project for which a permit has been issued. As set forth in 77 Ill. Admin. Code § 1130.750, a decrease in the square footage of a proposed facility is an allowable alteration that requires Board approval.

Should you have any questions regarding this request, please do not hesitate to contact me at jvanleer@polsinelli.com or 312.873.3665. Thank you for your attention to this matter.

Sincerely,

Joseph T. Van Leer
