Dear Mike:

RE: University of Chicgao - Stony Island Dialysis
Change of Ownership
#10-025

Please note that the address of the facility is 8725 S. Stony Island, not 8721 S. Stony Island. The facility was assigned a different address when the site officially split in two halves. Unfortunately, the lease documents were never changed and this caused a mix-up. The site of the diatysis facility has never changed, only the assignment of the address.

Thanks for your consideration and correction of this minor error.

Sincerely,

Della Wozniak
