Re: Temporary Closure of Acute Mental Illness ("AMI") Category of Service Update

Mr. Mills:

Please let this letter serve as an update letter to you regarding Advocate Good Shepherd's temporary closure of our Acute Mental Illness beds. At this time we have had no additional requests from psychiatrists to join the Good Shepherd medical staff. The unit remains closed and is not being used for any other clinical purposes at this time. We have filed a Certificate of Need application with the Illinois Health Facilities and Services Review Board to permanently close the unit. The application was received by the Board on June 16th and declared complete later in the month. The application is scheduled to be heard at the Board's September 21st meeting.

Should the date of the hearing be moved back, we will provide you with additional updates, as appropriate.

Please do not hesitate to call Trent Gordon, Director, Business Development and Strategic Planning at 847-842-4259 should you have any additional questions.

Thank you,

Karen Lambert
