Dear Mr. Galassie & Members of the Illinois Health Facilities & Services Review Board:

I have been a police officer for 17 years and it has been brought to my attention that Fresenius Medical Care is trying to open a new dialysis center at 721 E Jackson St, Joliet, IL, 60432

I believe the new Fresenius Medical Care dialysis facility can help the east side residents of Joliet to receive proper medical treatment for dialysis. This will also create some new job opportunities in a time where jobs are hard to find.

Sincerely,

George Mantis
