Springfield, IL 62761

Dear Ms. Avery,

I am writing to you in support of Project 10-090 and Centegra Health System Proposal to bring a new hospital to southern McHenry county. As a long time supporter of Centegra I have seen the tremendous impact they have had in this area. I urge you to consider Centegra's Proposal. It will create job opportunities and as baby boomers come online, there will be more challenges to be met. Centegra is more than willing to meet the task. Centegra looks beyond the problems. They look for solutions. Give Centegra a chance. They will make good.

On behalf of Centegra, I want to thank you for your kindness and consideration in my case.

Sincerely,  
Ray Rundle

PS: I am 86 years old and still working as a X-Ray technologist, working for 3 orthopedic doctors. I am the oldest x-ray technologist working in the USA. I have congestive heart failure and would like to see my dream for Centegra realized before I peg out. If you wish to contact me for more information, my number is 815-675-6387.

RE: Project No. 10-090, Centegra Hospital-Huntley

Dear Ms. Avery:

I am writing to express my full support of the proposed hospital in Huntley by Centegra Health System in Project No. 10-090. The fact is, hospital services are needed in the Huntley community and Centegra is the health system best-suited to provide these services.

I know Centegra Health System takes its responsibility to the community very seriously and continues to look for ways to improve the care it provides.

Centegra has long been committed to Huntley and the surrounding communities through outpatient services and other health services that have already been brought to the area. Centegra purchased the land in Huntley several years ago and has created a strong, long-term plan for responsible development of the site.

I personally appreciate that, along with needed healthcare services, this project will bring new jobs and tax revenue to the Huntley community.

Given the community's need for hospital services and the improved access to healthcare this project will provide for southern McHenry County and surrounding areas, I strongly urge the board to approve the application by Centegra Health System for a new hospital in Huntley.

Sincerely,

**RE: Letter of Support, Project # 10-090, Centegra Hospital-Huntley**

Dear Ms. Avery:

I support Project # 10-090 and Centegra Health System's proposal to bring a new hospital to southern McHenry County. The need for a full-service hospital in this area is clear. Huntley and the surrounding communities make up one of the fastest-growing areas not only in McHenry County, but in the entire state. These communities are currently underserved by healthcare facilities, leaving local residents and workers with significant travel times to existing area hospitals.

I urge the Illinois Health Facilities Services and Review Board to approve Centegra Hospital-Huntley, Project # 10-090.

(Additional thoughts may be shared on the lines below.)

It should be mentioned, that a large number  
of Huntley area residents, live in a Del Webb  
Community (age 55 and older). In today's society  
this age group is living longer and is  
also in need of more complex care and setting,  
then generally available in Doctor's offices. I  
urge your vote for project # 10-090. Thank you.

Sincerely,
