Ms. Courtney Avery

Illinois Health Facilities and Services Review Board

Dear Ms. Avery:

I have been a health care professional in the Chicago market for over 30 years, and I'm writing to oppose Centegra's application to build a new hospital in Huntley. This project represents a duplication of healthcare services already in the area. There are already three hospitals in McHenry County and additional hospitals such as Advocate Good Shepherd Hospital, Sherman, St. Alexius and Provena St. Joseph that serve the health needs of McHenry County. Any McHenry County resident can get at least one of these hospitals in a reasonable time so if McHenry county residents are leaving the county to seek healthcare it's by their own choice, not for lack of options. We already have enough hospitals nearby.

This project represents un necessary expense to the overall healthcare system

I urge the Illinois Health Facilities and Review Board to deny the Centegra proposed new hospital.

Sincerely,   
Timothy Yusk MHA

Dear Ms. Avery:

I live in Cary, which is located in McHenry County. Please deny the application to build a new hospital in Huntley, Illinois. I believe that there are enough hospitals in the area. We do not need any more hospitals.

Yours truly,

Dear Ms. Avery:

Please deny the application by Centegra Hospital to build a hospital in Huntley, Illinois. I oppose this CON application.

While we all would like to have a hospital near our home, that is simply not practical. Additional hospitals would simply increase costs, without adding any new services for the community.

Sincerely,

Sue Cahill-Johnson
