Dear Ms. Avery:

I live in McHenry, which is located in McHenry County. Please deny the application to build the proposed Mercy hospital in Crystal Lake, Illinois. I believe that there are enough hospitals in the area. We do not need any more hospitals.

Yours truly,

Nicole Waldoch

Dear Ms. Avery:

I OPPOSE a new hospital in Crystal Lake, Illinois. This is an unneeded expense . A new hospital will increase costs and may harm existing hospitals.. I believe that the existing hospitals serve McHenry County very well.

I recommend that you not approve the Certificate of Need application.

Yours,

Christopher Wallace

HEALTH FACILITIES &
SERVICES REVIEW BOARD

Dear Ms. Avery:

I'm a resident of McHenry County writing to oppose Mercy's application to build a new hospital in Crystal Lake. This project represents a duplication of healthcare services already in the area. There are already three hospitals in McHenry County and additional hospitals such as Advocate Good Shepherd Hospital, Sherman, St. Alexius and Provena St. Joseph that serve the health needs of McHenry County. Any McHenry County resident can get to at least one of these hospitals in a reasonable time so if McHenry county residents are leaving the county to seek healthcare it's by their own choice, not for lack of options. We already have enough hospitals nearby.

I urge the Illinois Health Facilities and Review Board to deny the Mercy proposed new hospital.

Sincerely,
