Mike, we will get on this as well. On a separate matter, please be aware that Charles Foley, John Kniery, and Linas Grikis are additional contact persons on this specific project. Thank You.

Dan:

I need you to break out the nonclinical costs for me. If you could just complete this excel file, that would be great.

I also need all of the physician clinic costs broken out separately. If this was done in the material you have submitted just point me in the right direction.

Thanks again.
