Docket No. HFSRB #11-11

**Notice of Intent to File Exceptions to  
and Written Brief on Proposal for Decision**

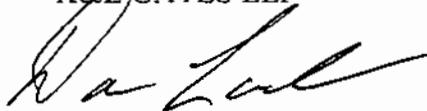

Dear Ms. Avery:

This letter is to provide written notice of intent of Centegra Health System and Centegra Hospital-Huntley to file exceptions to and a written brief on the Proposal for Decision of Administrative Law Judge Richard E. Hart in HFSRB v. Centegra Hospital-Huntley, Docket No. HFSRB #11-11 ("Proposal for Decision"). Centegra Health System and Centegra Hospital-Huntley are adversely affected by the Proposal for Decision which was received by their undersigned counsel on April 4, 2012.

We understand, based on the representation of Mr. Frank Urso on behalf of the Illinois Health Facilities and Services Review Board ("Review Board") to Judge Thomas Meyer at the hearing on April 5, 2012 in the matter of *Centegra Health System v. Hart et al.*, 12 MR 146, that the Review Board will take no action in connection with the Proposal for Decision or Project No. 10-090 pending the submission of Centegra Health System's and Centegra Hospital-Huntley's exceptions and written brief.

Very truly yours,

K&L GATES LLP
