Dear: Ms. Avery,

The purpose of this letter is to certify that Permit #10-021 – South Shore Hospital was obligated in accordance with the requirements for major construction contracts under PART 1130.720 of the Adm. Code.

South Shore Hospital executed the Standard Form of Agreement Between Owner and Construction Manager as Constructor (AIA Document A133) with Berglund Construction Company on April 21, 2011. Subsequently, the Guaranteed Maximum Price Amendment (Exhibit A) was executed on December 12, 2011, committing more than the required 33% of total funds assigned to the project.

With the execution of this contract, there was no change in the scope or funding sources for the project.

Please give me a call at 773-356-5312 if you have any questions.

Sincerely,

Timothy A. Caveney
