Dear Mr. Colby:

On September 11, 2012 the Illinois Health Facilities and Services Review Board (HFSRB) issued the final denial of the application for Mercy Crystal Lake Hospital & Medical Center. HFSRB rendered its decision following consideration of the application, supplemental and modified information, the HFSRB State Agency Report, applicant testimony, and oral and written testimony from interested parties. In addition, HFSRB's decision was also based upon the applicant's failure to document conformance with the following review criteria:

- Criterion 1110.530(b) - Planning Area Need
- Criterion 1110.530(c) - Unnecessary Duplication/Maldistribution
- Criterion 1110.530(f) – Performance Requirements
- Criterion 1110.3030(a) – Clinical Services Other Than Categories of Service

Should you have any questions or concerns please contact HFSRB staff at 312-814-5418.

Sincerely,
