RE: Alteration to Permit
PROJECT: 10-038 Advocate BroMenn Medical Office Building
APPLICANT(S): Advocate Health Care Network, Advocate Health and Hospital Corporation d/b/a Advocate BroMenn Medical Center

Dear Mr. Manshum:

Your notification to the Illinois Health Facilities and Services Review Board (IHFSRB) of the alteration to Permit #10-038 was received and accepted. Your letter describes changes which you do not consider necessary to report to IHFSRB within 30 days after the alteration(s) but which do not require the approval of IHFSRB prior to implementation.

Based on the information you provided, the changing of financing of the project from debt financing to all cash has been appropriately reported to IHFSRB and does not require IHFSRB approval. This determination is made in accordance with Section 1130.750 c) and d) of IHFSRB rules.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact our office at (217) 782-3516 and ask to speak to a Mike Constantino of George Roate of my staff about post permit requirements.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Courtney R. Avery, Administrator
Illinois Health Facilities and Services Review Board
