Dear Ms. Wright:

On September 19, 2012 the Chairman of the Illinois Health Facilities and Services Review Board approved your request for the alteration of Permit #10-063. The alteration decreases the number of stations requested from 8 to 4 stations for a total of 14 stations and a decrease in the cost of the project from \$1,348,446 to \$1,280,746 or \$67,700.

The permit holder is reminded that for the final realized cost report; any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "*Subpart G*" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

If you should have any questions, please contact Mike Constantino or George Roate of my staff at our office at (217) 782-3516 (TDD # 800-547-0466 for hearing impaired only).

Sincerely,
