Dear Ms. Avery/To Whom It May Concern:

This letter is a follow up to my letter dated September 19, 2012. I am informing you that project 10-056 is fully complete. We have also occupied the space for treatment of patients. The audit of complete charges will be finalized and forwarded to your attention for review by March 31, 2013 as outlined in the agencies requirements.

The project was also obligated for construction prior to April 26, 2012.

If you have any other questions related to this project, please do not hesitate to contact me at 618-241-8505 or 618-214-5188. Thank you.

Sincerely,

M. Edward Cunningham
