Project Completion Report

Advocate Health and Hospitals Corporation dba Advocate BroMenn Medical Center
Three Story Construction Project for Medical Office Building

Dear Ms. Avery:

This letter is intended to satisfy a portion of Section 1130.770 by providing you with a notice of the completion of Project #10-038, as of August 23, 2013. While it was occupied by some tenants earlier, the therapy pool has just been finished.

Within 90 days after August 31, 2013 (the completion date for the Project), you will receive a report of the final realized project costs and sources of funds. Because this is a project with a cost below the capital expenditure minimum in place at the time of the permit approval, no audit is required.

Please let me know if there is anything further needed at this point.

Sincerely,

A handwritten signature in black ink, appearing to read "Albert L. Manshum, III".

Vice President, Facilities and Construction,
Advocate Health Care
