

Project Costs and Sources of Funds

Complete the following table listing all costs (refer to Part 1120.110) associated with the project. When a project or any component of a project is to be accomplished by lease, donation, gift, or other means, the fair market or dollar value (refer to Part 1130.140) of the component must be included in the estimated project cost. If the project contains non-clinical components that are not related to the provision of health care, complete the second column of the table below. See 20 ILCS 3960 for definition of non-clinical. Note, the use and sources of funds must equal.
