To Whom It May Concern:

I received your letter dated December 28, 2010 regarding your intent to file a CON for a multi-specialty ambulatory surgical treatment center. One of the specialties your surgery center will provide is urological services. I would like to know what urology services you will be providing, or a list of the procedure codes reported on your CON application.

You may respond to my request to the above address. Please feel free to call me at 630-366-7854 if you have any questions.

Sincerely,

Jennifer Broucek
Administrative Director
