Dear Mr. Galassie:

VILLAGE

ADMINISTRATOR

Christopher A. Martin

DaVita provides dialysis services for those diagnosed with chronic kidney failure. It is the leading provider of dialysis services in the United States serving approximately 125,000 patients in 1,612 outpatient dialysis facilities and acute units in 700 hospitals. DaVita is located in 43 states and the District of Columbia. The company is well represented in the Chicago area with 20 chronic dialysis centers.

VILLAGE

ACCOUNTANT

Deborah Vernon

I understand that DaVita provides quality dialysis services and has a national reputation for their quality care. In addition to providing dialysis care to patients at chronic dialysis facilities, DaVita provides hemodialysis and peritoneal dialysis programs to patients who choose to dialyze at home. DaVita also serves patients in the hospital acute dialysis setting in 18 area hospitals. In addition, DaVita develops, participates in and donates to numerous programs dedicated to transforming communities and creating positive, sustainable change for children, families and our environment.

VILLAGE CLERK

Loretta Peterson

TREASURER

James E. Purcell

PERMIT

COORDINATOR/ ADMINISTRATIVE

ASSISTANT

Erica A. Rezula

With population growth and aging, the demand for dialysis will continue to increase. Therefore, establishment of DaVita's Barrington Creek Dialysis facility is needed to meet both current and future demands for dialysis services. The Village of Lake Barrington community deserves DaVita's high quality services. I am pleased to support this project that will bring substantial future benefit to the northwest suburbs and our Village.

Sincerely,

A handwritten signature in cursive script that reads "Kevin C. Richardson".

Kevin C. Richardson
Village President
