Re: **Drs. Rauf and Ahmed**

Dear Mr. Galassie:

As President of Advocate Good Samaritan Hospital, I am writing in support of Dr. Rauf and Ahmed in their pursuit of a Certificate of Need application to establish a new U.S. Renal Care dialysis facility in Downers Grove, Illinois. Drs. Rauf and Ahmed provide high quality care for patients with chronic and acute renal disease in their work at Good Samaritan Hospital.

Advocate Good Samaritan Hospital serves an aging population with multiple medical conditions and needs. Anticipating demand and creating timely capacity is important in properly caring for these individuals.

Drs. Rauf and Ahmed have our support in their efforts to improve the quality, safety and accessibility of renal care in our service area.

Sincerely,

David S. Fox
