ALTERATION OF PERMIT
Illinois Health Facilities Planning Act
Project #11-005, Touchette Regional Hospital

Dear Mr. McManus:

On November 19, 2011 the Chairman of the Illinois Health Facilities and Services Review Board approved an alteration for the above-captioned project. The alteration increased the cost of the project from \$750,000 to \$784,758. The other components of the project (services provided and location) will not change as a result of this alteration.

The permit holder should also note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions, please contact our office at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Courtney R. Avery, Administrator
Illinois Health Facilities and Services Review Board
