**Re: Notice of Obligation - Woodlawn Dialysis (Proj. No. 11-068)**

Dear Ms. Kendrick:

Pursuant to Section 1130.720 of the Illinois Health Facilities and Services Review Board ("HFSRB") rules, I am writing on behalf of DaVita Inc. and Total Renal Care, Inc. (collectively, "DaVita") to notify the HFSRB of the obligation of Woodlawn Dialysis (Proj. No. 11-068). On December 6, 2011, the HFSRB approved DaVita's certificate of need application for the relocation and expansion of Woodlawn Dialysis (the "Project"). The Project permit included a June 13, 2013 obligation date. In compliance with the Project permit, the Project was obligated on December 29, 2011 through execution of the lease between DaVita and the landlord for the Woodlawn facility.

If you need any additional information or have any questions regarding the status of the Project, please feel free to contact me.

Sincerely,

Anne M. Cooper
