RE: Permit Alteration: Project #11-019; Permit Holder: Advocate Christ Medical Center

Dear Mr. Manshum:

On September 24, 2013, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holders are proposing to decrease the permit amount by \$10,447,895, from \$202,301,558 to \$191,823,663, a 5.2% reduction in the overall project cost. The proposed alteration will result in a spatial reduction of 116 GSF, from 308,334 GSF, to 308,218 GSF, a reduction of .03%.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".
