RE: Permit Alteration: Project 11-095; Permit Holder: Palos Hills Surgery Center

Dear Mr. Kronen:

On August 13, 2013, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holders are proposing to increase the cost of the permit from \$2,421,158 to \$2,581,158 or \$160,000 a change of 6.6% from the original approved permit amount.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".
