Re: Permit Renewal Request – Apollo Health Center, Ltd. (Proj. No. 11-002)

Dear Chair Olson:

This office represents Apollo Health Center, Ltd. (“Apollo”). As you are aware, on July 21, 2011, the Illinois Health Facilities and Services Review Board (the “State Board”) approved Apollo’s application to establish a multi-specialty ambulatory surgical treatment center (the “Project Permit”). On July 20, 2012, the State Board approved an 18-month renewal of the Project Permit with a project completion date of January 31, 2014. Construction is complete and the surgery center is currently waiting licensure. Accordingly, we respectfully request the State Board grant Apollo a six month renewal of the Project Permit and establish July 31, 2014 as the new project completion date.

Requested Completion Date

Apollo requests the State Board grant a six month renewal of the Project Permit and establish July 31, 2014 as the new project completion date.

Status Report

Construction of the surgery center is complete. The surgery center is awaiting licensure by the Illinois Department of Public Health (“IDPH”).

To date, Apollo has expended \$2,312,903 on the project, which includes \$2,291,152 for the space lease and \$21,751 in modernization costs.

Statement Regarding Completion of the Project

Apollo is establishing a new multi-specialty surgery center. Construction is complete, and the surgery center is awaiting licensure. Apollo anticipates IDPH will conduct a survey of the surgery center in December. To ensure sufficient time for survey and licensure, Apollo requests a renewal of its Project Permit until July 31, 2014.

Confirmatory Evidence of Permit Compliance

The attached affidavit from Vera Schmidt, Chief Executive Officer of Apollo Health Center, Ltd. confirms Apollo is complying with the scope and costs of the project approved by the State Board pursuant to Project Permit #11-002 and sufficient financial resources are available to complete the project. (See Attachment – 2)

Based on the above information, which is provided to the State Board in compliance with Section 1130.740 of the Illinois Administrative Code, Apollo formally requests a 6-month renewal of its permit for project #09-030.

Sincerely,

Anne M. Cooper
