

TRANSFER AGREEMENT
between
OSF HEALTHCARE SYSTEM,
SAINT FRANCIS MEDICAL CENTER
and
DIALYSIS CENTERS OF AMERICA - ILLINOIS

THIS TRANSFER AGREEMENT ("Agreement") is made and executed on the last date written below, by and between OSF HEALTHCARE SYSTEM, an Illinois not-for-profit corporation, having its Corporate Office in Peoria, Illinois, owner and operator of SAINT FRANCIS MEDICAL CENTER, located and doing business in Peoria, Illinois, (such System and Hospital are collectively referred to as "Receiving Hospital") and DIALYSIS CENTERS OF AMERICA - ILLINOIS, which owns and operates renal dialysis facilities, whose locations are set forth in Exhibit A, attached hereto and made a part hereof (all hereinafter referred to as "Transferring Facility").

RECITALS:

A. The Transferring Facility and the Receiving Hospital desire, by means of this Agreement, to assist physicians in the treatment of patients.

B. The parties hereto specifically wish to facilitate: (a) the timely transfer of patients and the medical records and other information necessary or useful for the care and treatment of patients transferred; (b) the determination as to whether such patients can be adequately cared for other than by either of the parties hereto; (c) the continuity of care and treatment appropriate to the needs of the transferred patient; and (d) the utilization of knowledge and other resources of both healthcare entities in a coordinated and cooperative manner to improve the professional healthcare of patients.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and in reliance upon the recitals, set forth above and incorporated by reference herein, the parties hereto agree as follows:

I. DUTIES AND RESPONSIBILITIES.

- 1.1 Joint Responsibilities. In accordance with the policies and procedures of the Transferring Facility and upon the recommendation of the patient's attending physician that such a transfer is medically appropriate, such patient shall be transferred from the Transferring Facility to the Receiving Hospital as long as the Receiving Hospital has bed availability, staff availability, is able to provide the services requested by the Transferring Facility, including on-call specialty physician availability, and pursuant to any other necessary criteria established by the Receiving Hospital. In such cases, the Receiving Hospital and the Transferring Facility agree to exercise best efforts to provide for prompt admission of the patient. If applicable, the parties shall comply with all EMTALA requirements with respect to such transfers. Receiving Hospital and Transferring Facility

shall meet periodically to review the transfer process, of policies and procedures in order to improve the process, including efficiency, clinical care and patient safety.

- 1.2 Receiving Hospital. The Receiving Hospital shall accept patients in need of transfer from the Transferring Facility pursuant to the criteria set forth in Section 1.1. Further, Receiving Hospital shall designate a person to coordinate with Transferring Facility in order to establish acceptable and efficient transfer guidelines.
- 1.3 Transferring Facility. Transferring Facility shall request transfers of patients to Receiving Hospital pursuant to the criteria set forth in Section 1.1. Further, Transferring Facility shall:
 - a. Have responsibility for obtaining the patient's informed consent for the potential transfer to Receiving Hospital, if the patient is competent. If the patient is not competent, the consent of the legal guardian, agent with power of attorney for health care, or surrogate decision maker of the patient shall be obtained.
 - b. Notify Receiving Hospital as far in advance as possible of the impending transfer.
 - c. Transfer to Receiving Hospital the patient's personal effects, including money and valuables, and information related thereto. A standard form shall be adopted and used by both parties listing such personal effects and appropriate documentation and transfer procedure. Transferring Facility shall be responsible for such personal effects until such standard form has been signed by the Receiving Hospital and Receiving Hospital has received such personal effects.
 - d. Affect the transfer to Receiving Hospital through qualified personnel and appropriate transfer equipment and transportation, including the use of necessary and medically appropriate life support measures. Receiving Hospital's responsibility for the patient's care shall begin when the patient is admitted to Receiving Hospital.
 - e. Transfer, and supplement as necessary, all relevant medical records, or in the case of an emergency, as promptly as possible, transfer an abstract of the pertinent medical and other records necessary in order to continue the patient's treatment without interruption and to provide identifying and other information,

including contact information for referring physician, name of physician(s) at Receiving Hospital contacted with regard to the patient (and to whom the patient is to be transferred), medical, social, nursing and other care plans. Such information shall also include, without limitation and if available, current medical and lab findings, history of the illness or injury, diagnoses, advanced medical directives, rehabilitation potential, brief summary of the course of treatment at the Transferring Facility, medications administered, known allergies, nursing, dietary information, ambulation status and pertinent administrative, third party billing and social information.

- 1.4 Non Discrimination. The parties hereto acknowledge that nothing in this Agreement shall be construed to permit discrimination by either party in the transfer process set forth herein based on race, color, national origin, handicap, religion, age, sex or any other characteristic protected by Illinois state laws, Title VI of the Civil Rights Act of 1964, as amended or any other applicable state or federal laws. Further, Section 504 of the Rehabilitation Act of 1973 and the American Disabilities Act require that no otherwise qualified individual with an handicap shall, solely by reason of the handicap, be excluded from participation in, or denied the benefits of, or be subjected to discrimination in a facility certified under the Medicare or Medicaid programs.
- 1.5 Name Use. Neither party shall use the name of the other party in any promotional or advertising material unless the other party has reviewed and approved in writing in advance such promotional or advertising material.
- 1.6 Standards. Receiving Hospital shall ensure that its staff provide care to patients in a manner that will ensure that all duties are performed and services provided in accordance with any standard, ruling or regulation of the Joint Commission on Accreditation of Healthcare Organizations, the Department of Health and Human Services or any other federal, state or local government agency, corporate entity or individual exercising authority with respect to or affecting Receiving Hospital. Receiving Hospital shall ensure that its professionals shall perform their duties hereunder in conformance with all requirements of the federal and state constitutions and all applicable federal and state statutes and regulations.
- 1.7 Exclusion/Debarment. Both parties certify that they have not been debarred, suspended, or excluded from participation in any state or federal healthcare program, including, but not limited to, Medicaid, Medicare and

Tricare. In addition, each party agrees that it will notify the other party immediately if it subsequently becomes debarred, suspended or excluded or proposed for debarment, suspension or exclusion from participation in any state or federal healthcare program.

- 1.8 Confidentiality. Receiving Hospital agrees to maintain confidentiality. Receiving Hospital acknowledges that certain material, which will come into its possession or knowledge in connection with this Agreement, may include confidential information, disclosure of which to third parties may be damaging to Transferring Facility. Receiving Hospital agrees to hold all such material in confidence, to use it only in connection with performance under this Agreement and to release it only to those persons requiring access thereto for such performance or as may otherwise be required by law and to comply with the Health Insurance Portability and Accountability Act.
- 1.9 Access to Books and Records. Both parties will maintain records relating to their responsibilities under this Agreement for a period of one (1) year from the date of services. During normal working hours and upon prior written and reasonable notice, each party will allow the other party reasonable access to such records for audit purposes and also the right to make photocopies of such records (at requesting party's expense), subject to all applicable state and federal laws and regulations governing the confidentiality of such records.

II. FINANCIAL ARRANGEMENTS.

- 2.1 Billing and Collection. The patient is primarily responsible for payment for care provided by Transferring Facility or Receiving Hospital. Each party shall bill and collect for services rendered by each party pursuant to all state and federal guidelines and those set by third party payors. Neither the Transferring Facility nor the Receiving Hospital shall have any liability to the other for billing, collection or other financial matters relating to the transfer or transferred patient. Since this Agreement is not intended to induce referrals, there should be no compensation or anything of value, directly or indirectly, paid between the parties.
- 2.2 Insurance. Each party shall, at its expense, maintain through insurance policies, self-insurance or any combination thereof, such policies of comprehensive general liability and professional liability insurance with coverage limits of at least One Million Dollars (\$1,000,000.00) per occurrence and Three Million Dollars (\$3,000,000.00) annual aggregate to insure such party and its Board, officers, employees and agents acting

Either party shall notify the other party thirty (30) days prior to the termination or modification of such policies.

III. TERM AND TERMINATION.

- 3.1 Term and Automatic Renewal. The promises and obligations contained herein shall commence as of March 1, 2005 for a term of one (1) year therefrom and shall automatically renew pursuant to like terms unless one party shall give the other party a notice of intent not to renew thirty (30) days prior to the expiration of the initial term, or the then-existing term, subject, however, to termination under Section 3.2 herein.
- 3.2 Termination. This Agreement may be sooner terminated on the first to occur of the following:
- a. Written agreement by both parties to terminate this Agreement.
 - b. In the event of breach of any of the terms or conditions of this Agreement by either party and the failure of the breaching party to correct such breach within ten (10) business days after written notice of such breach by either party, such other party may terminate this Agreement immediately with written notice of such termination to the breaching party.
