**Re: Park Place Christian Community of Elmhurst
Notice of Project Completion
Project No. 12-007**

Dear Ms. Avery:

The Illinois Health Facilities Planning Board previously issued a permit for Park Place Christian Community of Elmhurst to establish a new retirement community that includes a skilled nursing facility in Elmhurst. In connection with Section 1130.770(a) of the Board's rules we are pleased to provide you with written notice of the Project's successful conclusion. The Project was completed on August 1, 2012 when the Illinois Department of Public Health issued the operating license for the facility (#0048736). The Project was completed prior to the August 31, 2012 completion date in the permit. We are preparing the final cost report and will be submitting that to you upon the report's completion.

As always, please let me know if I can be of any assistance to you on this Project.

Sincerely,

Barry VanderGenugten
