RE: Permit Alteration: Project #12-010

Dear Mr. Van Leer:

On October 30, 2012 the Chairman of the Illinois Health Facilities and Services Review Board approved your alteration request for project #12-010. The alteration approved was for the following:

The permit holders are approved to decrease the permit amount from \$3,387,571 to \$3,093,189 a total of \$294,382 and to decrease the gross square footage to 9,023.

The permit holder is reminded that for the final realized cost report; any amount that exceeds the altered permit amount will be considered a cost overrun without a permit. The permit holder should also note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

If you should have any questions please contact Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".
